I recognize that precautions are necessary for safe tanning. I agree that I will comply with all on the use of the UV tanning process and that I am using these services at my own risk. I also agree to protect my vision by using the eye protection provided by the salon or by wearing my own eye protection. I will not hold versaTan, its agents, owners, or employees liable for any injury to person or property caused in any way by the use to services or its premises. Also, they are not liable for the loss or theft of any personal property. Each person is responsible for safeguarding his or her own property.

I also recognize and agree to follow versaTan's membership rules:

1. Only actively enrolled members are allowed access during non-staffed hours of operation. No guests are allowed in the salon during non-staffed hours (including children, spouses, parents, etc.)
2. Only one member at a time is allowed in a tanning room.
3. Members agree to lock the room door after entering, and to leave the door unlocked and open when they have finished their session.
4. While entering versaTan when it is unstaffed, each member must enter one at a time, using the thumb reader.
5. Members acknowledge that they have been shown the safe and proper usage of the equipment. They agree to use the equipment for its intended use.
6. Members are expected to wipe down/sanitize the tanning surface after they use them (using the provided sanitizing spray and paper towels.) Each member takes responsibility of verifying the cleanliness of the bed before they lay down to tan.
7. Members agree to suntan only once per 24 hour period of time.
8. Members are aware that surveillance cameras monitor the lobby, hallways, and parking area. They are aware that no cameras will have a view inside the private rooms.

I agree in whole to all of the terms and conditions listed above and the versaTan membership rules.
